

Yazmin Amador

yazmin.amador@scholar.smashprogram.org

A few of my life goals are to get 4.0 or higher all my years of high school, get class valedictorian, try running for Asb present for my school, and volunteer at a soup kitchen. I want to go to Stanford for medical school as a doctor. I am not sure what type of doctor yet but I want to do something that that field. My experience and hobbies align with these goals because they show that I care for others and have a passion for helping others.

EDUCATION:
